Let's get to creating!

Make your own spectacular mosaic trivet or coaster

Get registered to join us for a fun and creative trivet or cup coaster mosaic workshop! The beautiful world of building mosaics connects texture, color, pattern, hands-on making and it can really get the creative juices flowing!

No experience necessary. Beginners welcome!

Everything you need for this workshop will be provided for you on location. You will receive step by step instruction, tools to use, supplies for your project and examples to see for inspiration. Everyone will begin with a blank wooden base and you will get to choose from glass, ceramic and china pieces to decorate your very own unique design. The piece is finished with grout so it will be durable and functional.

You will leave with a gorgeous kitchen trivet or coaster keepsake to show off and a new-found love of the mosaic process.

The entire 3-hr workshop costs only \$55 for the trivet or \$35 for the coaster. You can register at [signup genius](https://www.signupgenius.com/go/10C044AAAAB23A4FDC61-64829450-beginner) and then separately prepay with Cash App or Venmo. You can also prepay by mail with cash or check.
